

## What Is EnhanceFitness?

**EnhanceFitness (EF)** is a fitness program geared toward improving the overall functional fitness and well-being of primarily older adults (all adults welcome). This low-impact workout can be ideal for anyone, even people with arthritis or other chronic conditions. A certified fitness instructor leads classes three times a week, providing social stimulation as well as physical benefits. Classes focus on cardiovascular conditioning, strength training, flexibility and balance training.

## What's in it for you?
