

Kidney Walk

The Reasons Why We Walk

\$100 will pay for an emergency request for a needy kidney patient. Requests include food, medication, utilities, etc.

\$500 will send a child with kidney disease to Kids Camp for one week

\$750 will educate five school-age children about the benefits of healthy nutrition and lifestyles with the goal of preventing kidney disease

\$1,000 will provide education scholarships for two individuals with kidney disease

\$1,500 will provide 20 Enhance Fitness classes to adults to improve their functional fitness and well-being
