

**LIVING WELL
WITH
KIDNEY DISEASE**

World Kidney Day Virtual Event!

Thursday, March 11, 2021 at 11:30am-12:30pm

Join us for a panel discussion with a nephrologist, dietitian and person living with kidney disease. Learn effective strategies for living with kidney disease, nutrition tips, how COVID has impacted the kidney community, and more. There will be plenty of time for questions too!

Visit nkfm.org/WKD to join the virtual event on March 11th.

To submit questions ahead of the event, or to receive an email reminder to join the event, email contact@nkfm.org.
